ANNOUNCEMENT

Invitation to Apply for Short Courses in STEM (Science, Technology, Engineering and Mathematics) domain at Catholic University of Rwanda

In partnership with UN Women, Catholic University of Rwanda (CUR) is implementing the project of "Supporting Young Women and Girls to improve their Skills inScience, Technology, Engineering and Mathematics (STEM) and Entrepreneurship for Accessibility and Creation of Decent Jobs". For this purpose, CUR is pleased to announce to the public that it has planned to give short courses of 6 months to 25 women and girls interested in the following STEM domain such as: PC Hardware and Maintenance, Network Configuration, Internet of things (IoT), Graphics design and Multimedia. The selected candidates will be financially supported in order to help them to overcome challenges which may prevent their access to practical skills.

The following are criteria for selection of candidates:

1. Being a Rwandan;
2. Being a woman or a girl under 35years;
3. Having at least the degree of secondary school (A2) in the following subjects: PCM,MPG,MPC,PEM,MEG,MEC,MCB,MPB,TVET, Computer Science, Computer Application, Software Development, or TTC in Sciences with Mathematics option and other related disciplines;
4. Commitment to stay around Catholic University of Rwanda, at least during 3 months of intensive courses (October 2022-January 2023).

The application file must comprise the following documents:

1. Motivation letter written in English by the applicant herself, addressed to the Rector of Catholic University of Rwanda;
2. Curriculum Vitae;
3. The notarized degrees, certificates of studies and/or trainings;
4. National ID;

The interested applicants are required to submit the full application at Catholic University of Rwanda, Taba campus or soft copy on the following emails: **iura.cur@gmail.com, ntaweli2015@gmail.com** and copy to **mjulienne2011@gmail.com** not later than October 14th, 2022 at 12h00 am. Shortlisted candidates will be invited to pass the written exam and interview on October 17th 2022.

For more information, contact project coordinator via the following mobile phone: 0788736345/0788371497.

Done at Huye, September 30th, 2022.

Fr. Dr. Laurent NTAGANDA

Rector ofCatholic University of Rwanda
